- i. Department of Children and Families office on homelessness two updates on that. The state of Florida was awarded a third round of ESG CV. It is much smaller than any of the previous CV rounds, but we have been awarded approximately \$250,000 for the upcoming grant year in DCF that is July 1 Through June 30. So, we'll have a small amount of additional funding for Duval County and Nassau County, split out between outreach, a small amount in emergency shelter, Rapid Rehousing prevention and then HMIS. There could be a significant increase in the Challenge Grant if the governor signs the state of Florida budget for the next year.
- **Bezos Day 1 Family Funds**
 - i. June 20th Zoom/virtual meeting at 2 pm
