

Day 1 Families Fund - Jacksonville Launch

Wednesday, May 24, 2023

9:00 a.m. - 4:00 p.m.

Historic Springfield Community Learning Center
1601 N Main St 2nd FL, Jacksonville, FL 32206

Overview

As Jacksonville, FL prepares to implement its Bezos Day 1 Families Fund grant, we want to ensure that these funds are responsive to the unique needs of families in our community. To that end, we will come together to establish a shared goal around family homelessness in Jacksonville, determine an agreed upon way to measure progress toward that goal, and surface ideas for how to use these funds to make progress toward that goal.

Background

Changing Homelessness, Inc. was awarded a generous grant of \$2.5 million from the Bezos Day 1 Families Fund grant program. These funds are meant to help ensure that families with children under 18 years of age experiencing homelessness are able to get the resources and housing they need.

Who Should Attend?

All who are interested are welcome to attend. **We are particularly interested in the voices of those who have themselves touched the family homelessness system (e.g., current or past consumers of these services) as well as those who work daily on the frontlines of the system (e.g. case managers, outreach workers, shelter workers, housing navigators).**

RSVPs to K.O. Campbell, kocampbell@gmail.com, 423.619.5199
