WeCareJax is hosting mammograms with Baptist Health's Buddy Bus in conjunction with a luncheon for our patients who are breast cancer survivors on Thursday, 4/25.

WeCareJax is mindful of combining preventive care and cancer care for patients who are living uninsured and financially insecure in Duval County. We are thrilled to have Jeanie Blaylock from First Coast News, and several of our partners providing support for cancer patients come celebrate with us. It's going to be a very pink party! :)
