Answering “how can we help” question:

Does a navigation FAQ sheet exist? Something we can give churches or businesses that they can be empowered advocating for a person going door to door for assistance?

IE : needing an ID and TB test before a shelter will accept you. List of all emergency shelters and their requirements?

I. Sure something like this already exists....

08:52:40 From sara mitchell to Monique Elton (direct message):

Another question... we have witnessed service coordinators at HUD / Section 8 apartments being let go and not replaced.

Is this no longer a requirement of HUD under the new DOGE shake ups?

08:55:37 From Micah's Place to Everyone:

How should we access those brochures @CharlesTemple?
